## **ANZ selects HCLTech to advance workplace experience**

**SYDNEY, Australia and NOIDA, India, Sept 22, 2023:** HCLTech, a leading global technology company, and ANZ, one of Australia's four largest banks and the largest banking group in New Zealand and the Pacific, have expanded their relationship with a new engagement that will transform ANZ's digital employee experience across 33 countries. HCLTech leverages next-generation technologies including extended reality, GenAI and IoT-powered workspaces to enable experiential, sustainable and inclusive workplaces for enterprises.

"We're excited to continue our long-standing and strong relationship with HCLTech. ANZ is committed to leveraging technology to deliver employee-centric services, and HCLTech's deep domain expertise will accelerate this journey," said Vinit Jha, Domain Lead, Employee Experience, ANZ.

"We are delighted to expand our decade-long relationship with ANZ and support its next stage of digital transformation as it focuses on fostering a better digital experience for its employees and customers," said Michael Horton, Executive President and Country Manager, Australia and New Zealand, HCLTech. "This engagement represents one of the largest digital workplace transformations and managed services engagements in the region."

HCLTech will provide ANZ with digital workplace services and experience management across end user devices and applications including laptops, mobile phones and tablets.

### **About ANZ**

ANZ Banking Group provides banking and financial products and services to over 8.5 million retail and business customers. ANZ operates in more than 30 markets globally with representation in Australia, New Zealand, Asia, Pacific, Europe, America and the Middle East.

Building on a proud banking heritage spanning over 180 years, ANZ is one of Australia's largest listed companies. ANZ is Australia's largest institutional bank, the largest banking group in New Zealand and the Pacific, and one of the top 100 banks in the world by market capitalization.

## About HCLTech
