EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The Board of Directors (the "**Board**") at its meeting held on March 20, 2017 has approved the Buyback of the Equity Shares of the Company. As per the requirements of Section 102 read with Section 68 and other applicable provisions of the Companies Act, 2013 (the "**Act**") and the Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (the "**Buyback Regulations**"), the relevant and material information to enable the shareholders to consider and approve the Special Resolution for Buyback of the Company's shares is set out below:

1) Necessity for the Buyback

The Buyback is being proposed by the Company to return surplus funds to the shareholders, which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, efficient and cost effective manner. Additionally, the Company's management strives to increase shareholder's value and the Buyback would result in the following benefits, amongst other things:

- The Buyback will improve the Earnings Per Share (EPS), Return on Capital Employed (ROCE) and Return on Equity (ROE);
- The Buyback will help in achieving an optimal capital structure;
- The Buyback will help the Company to distribute surplus cash to its Members holding Equity Shares broadly in proportion to their shareholding, thereby, enhancing the overall return to Members;
- The Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of higher number of shares as per their entitlement or 15% of the outlay to small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "**small shareholder**";
- The Buyback gives an option to the Members holding Equity Shares of the Company, to either (i) choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback Offer or (ii) choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buyback Offer, without additional investment.

After considering several factors and benefits to the Members holding Equity Shares of the Company and considering the increase in accumulated free reserves as well as the cash liquidity reflected in the audited accounts for the financial year ended March 31, 2016, the Board decided to recommend the Buyback of up to **3,50,00,000** (Three crores fifty lacs) fully paid-up Equity Shares of Rs. 2/- each (representing up to **2.48 %** of the total number of Equity Shares in the paid-up Equity Share capital of the Company outstanding as on March 31, 2016) at a price of **Rs. 1,000/-** (Rupees One thousand only) per Equity Share of Rs. 2/- each for an aggregate consideration not exceeding **Rs. 3,500 crores** (Rupees Three thousand five hundred crores only).

2) Class of shares, number intended to be purchased, price per share, maximum amount required under the Buyback and basis of determining the price

Class of Shares	:	Equity
Face Value per Share	:	Rs. 2/-
Proposed Buyback Price per Share	:	Rs. 1,000/-
Total (maximum) amount required under the Buyback	:	Rs. 3,500 crores
Number of Equity Shares proposed to be bought back	:	3,50,00,000
As a % of paid-up equity share capital as on March 31, 2016	:	2.48%
As a % of paid-up equity share capital as on March 20, 2017	:	2.45%

Basis of determining the price of the Buyback:

The Equity Shares of the Company are proposed to be bought back at a price of **Rs. 1000/-** per equity share (“the **Offer Price**”). The Offer Price has been arrived at after considering various factors including, but not limited to the trends in the volume weighted average prices of the Equity Shares on the BSE Limited (“BSE”) and the National Stock Exchange of India Limited (“NSE”) where the Equity Shares are listed, the net worth of the Company, price earnings ratio, impact on other financial parameters and the possible impact of Buyback on the earnings per share.

The Offer Price represents:

- i. Premium of **19.06%** and **18.64%** over the closing price of the Equity Shares on BSE and on NSE, respectively, as on March 15, 2017, being the date on which the Company intimated the Stock Exchanges of the date of the meeting of the Board of Directors, wherein the proposal of the Buyback was considered.
- ii. Premium of **20.17%** and **20.11%** over the volume weighted average market price of the Equity Shares on BSE and on NSE, respectively, during the three months preceding March 15, 2017, being the date on which the Company intimated the Stock Exchanges of the date of the meeting of the Board of Directors, wherein the proposal of the Buyback was considered.

3) Maximum amount required under the Buyback, its percentage of the total paid-up capital and free reserves and the sources of funds from which the Buyback would be financed

The maximum amount required under the Buyback will not exceed **Rs. 3,500 crores** (Rupees Three thousand five hundred crores only) (which is **16.39%** and **13.62%** of the total paid-up equity capital and free reserves, on the basis of the audited standalone and consolidated financial statements of the Company for the financial year ended March 31, 2016) excluding any expenses incurred or to be incurred for the Buyback like filing fees payable to the Securities and Exchange Board of India, advisors’ fees, public announcement publication expenses, printing and dispatch expenses, transaction costs viz. brokerage, applicable taxes such as securities transaction tax, service tax, stamp duty, etc.

The Buyback would be funded out of the free reserves of the Company. The Company shall transfer a sum equal to the nominal value of the Equity Shares bought back through the Buyback to the Capital Redemption Reserve Account and the details of such transfer shall be disclosed in its subsequent audited Financial Statements.

4) Method to be adopted for Buyback

The Buyback shall be on a proportionate basis from the equity shareholders / beneficial owners of the Equity Shares of the Company through the “**Tender Offer**” route using the Stock Exchange Mechanism, as prescribed under the Buyback Regulations. The Buyback will be implemented in accordance with the Act and the Rules made thereunder to the extent applicable, and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a record date (the “**Record Date**”) for determining the names of the Members holding Equity Shares of the Company who will be eligible to participate in the Buyback Offer. In due course, each shareholder as on the Record Date, will receive a Letter of Offer along with a Tender / Offer Form indicating the entitlement of the shareholder for participating in the Buyback Offer.

The Equity Shares to be bought back as a part of the Buyback are divided in two categories:

- (a) Reserved category for small shareholders; and
- (b) General category for all other shareholders.

As defined in the Buyback Regulations, a “**small shareholder**” is a shareholder who holds Equity Shares having market value, on the basis of closing price of shares, on the recognized stock exchange in which highest trading volume in respect of Equity Shares as on Record Date is not more than Rs. 2,00,000/- (Rupees Two Lacs).

In accordance with Regulation 6 of the Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to Buyback or number of Equity Shares entitled as per the shareholding of small shareholders, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation would benefit a large number of public shareholders, who would get classified as small shareholder.

Basis the holding on the Record Date, the Company will determine the entitlement of each shareholder to tender their shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs.
