HCLTech recognized as a Leader in IDC MarketScape for SAP Implementation Services 2024

NEW YORK and NOIDA, India, Mar 18, 2025—[HCLTech](#), a leading global technology company, has been recognized as a Leader in the IDC MarketScape: Worldwide SAP Implementation Services 2025 Vendor Assessment (doc #US51272524, February 2025).

The report highlighted the following strengths of HCLTech:

- Strong ability to create offerings around SAP Business Technology Platform and other SAP technology solutions and innovate with customers using the ideaX innovation framework
- Strong breadth and depth of intellectual property (IP)/tools to deliver SAP implementation services
- Strong services delivery platform it utilizes to implement SAP solutions
- Regarded highly for the quality of client management/engagement process and resources

"HCLTech has a very long history in the SAP implementation services marketplace, but it does not rest on that reputation alone. It is doing leading-edge digital transformations using RISE with SAP," noted Gard Little, Research VP at IDC. "HCLTech is well positioned to deliver business outcomes for clients involving all of SAP's offerings."

"HCLTech is dedicated to delivering positive impact through comprehensive services, from initial consulting and strategy development to implementation and ongoing support. Our focus on accelerating SAP S/4HANA migrations and implementations leverages next-generation technologies like AI, machine learning and cloud. This integration helps our clients reduce risks and drive sustainable growth," said Sadagopan S, Executive Vice President and Global Head of SaaS and Commercial Applications at HCLTech.

About IDC MarketScape:

IDC MarketScape vendor assessment model is designed to provide an overview of the competitive fitness of technology and service suppliers in a given market. The research utilizes a rigorous scoring methodology based on both qualitative and quantitative criteria that results in a single graphical illustration of each supplier's position within a given market. IDC MarketScape provides a clear framework in which the product and service offerings, capabilities and strategies, and current and future market success factors of technology suppliers can be meaningfully compared. The framework also provides technology buyers with a 360-degree assessment of the strengths and weaknesses of current and prospective suppliers.
